

## Instructions on Accessing Course Materials for MBA 621 – Managerial Finance

Just a few instructions on accessing class materials for our upcoming MBA 621 finance class:

I use the on-campus shared R drive for ethics articles (since our copyright agreement on the ethics articles only allows for restricted access), my web site ([www.johnzietlow.com](http://www.johnzietlow.com)) for the syllabus, game plan, PowerPoints (print out pure black-and-white, handouts, 3-to-a-page, and bring with you to class) and some supplemental helps for homework, and in-class handouts for the rest.
